SEDD Pilots - Participating Laboratories and Vendors

The following list identifies laboratories and vendors who have participated in Staged Electronic Data Deliverable (SEDD) pilots and have delivered test SEDD XML files. This list also includes vendors who have developed capabilities to receive and process SEDD XML files (designated with an *). This list does not include all laboratories or vendors who have developed SEDD capabilities.

The U.S. Environmental Protection Agency (USEPA) is not endorsing the product of any laboratory or vendor. USEPA does not express or imply any guarantee or warranty that the SEDD product or capabilities of any laboratory or vendor listed below will be acceptable to the recipient.

Commercial Laboratories

1. A4 Scientific, The Woodlands, TX
2. Analytical Laboratory Services, Inc., Middletown, PA
3. Chemtech Consulting Group, Edison, NJ
4. Clayton Environmental Consultants, Novi, MI
5. CompuChem Environmental Corporation, Cary, NC
6. Ecology & Environment, Lancaster, NY
7. EMAX Laboratories, Torrance, CA
8. General Engineering Laboratory, Charleston, SC
9. Kemron Environmental Services, Marietta, OH
10. North Creek Analytical, Bothell, WA
11. PE Laboratories, Tampa, FL
12. Severn Trent Laboratories (STL), North Canton, OH
13. Severn Trent Laboratories (STL), Pittsburgh, PA
14. Severn Trent Laboratories (STL), Seattle, WA
15. SGS Laboratories, Anchorage, AK
16. Shealy Laboratories, Cayce, SC

Government Laboratories

1. US EPA Region 6 Laboratory, Houston, TX
2. US Army Corps of Engineers Laboratory, Omaha, NE

Commercial Vendors

1. Promium, Bothell, WA
2. Laboratory Data Consultants, Carlsbad, CA*
3. Locus Technologies, Walnut Creek, CA*
